## Skills

### Machine Learning

Linear Regression, Logistic Regression, Decision Trees

### Natural Language Processing (NLP):

Text cleaning, tokenization, vectorization

### Data Visualization

Power BI, Tableau, Looker Studio

### Databases

MySQL, MongoDB

### Python

Python, Pandas, NumPy, scikit-learn, Matplotlib, Seaborn

### Excel

Data analysis, cleaning, basic visualization

## Profile

I am an aspiring Data Scientist pursuing a B.Sc. in Data Science, with a strong interest in data analysis, machine learning, and deriving meaningful insights from data. I enjoy working on real-world projects and continuously improving my technical skills.

## Education

### BSc Data Science

Asian Academy of Film & Television

08/2024 – 08/2027 | Noida, Delhi

Pursuing a Bachelor of Science in Data Science with a strong foundation in statistics, programming, and data analysis. Gaining hands-on experience through academic projects and practical coursework.

## Internship

### Ideaz Marketing & Promotions

07/2025 – 09/2025 | Delhi, India

Worked as a **Data Analysis Intern** from July 2025 to September 2025, contributing to assigned tasks with dedication and professionalism. Gained practical experience in data handling, analysis support, and collaborative teamwork.

## Projects

### Resume Parser using NLP

- Developed an NLP-based system to extract key information from resumes.
- Applied text preprocessing and vectorization techniques.
- Tools: Python, NLP, scikit-learn

### Student Performance Prediction

- Built an ML model to predict student academic performance.
- Performed data cleaning, EDA, and feature selection.
- Trained models using Linear Regression and Decision Tree.
- Tools: Python, Pandas, NumPy, scikit-learn

### Weather Data Analysis Dashboard

- Built an interactive dashboard to analyze weather patterns and trends.
- Used data cleaning, EDA, and visualizations to generate insights.
- Tools: Power BI, Python

## Certificates

- GenAI Powered Data Analytics Job Simulation – Tata
- Data Analytics Job Simulation – Deloitte
- Business Analytics with Excel
